Junxion

Junxion is a modular system comprised of upholstered benches and walls and wooden work surfaces that can be combined into limitless con gurations of lounge, privacy seating and workstations. Using standard Junxion modules, our Design Services team works with clients to develop solutions speci c to their needs. Shown here are typical con gurations that have proved to be most popular with our clients. If you'd like to make changes to any of these suggested con gurations or if you want to combine upholstery materials from di erent price groups, please contact our design services team at 800-631-1186.
