Due to natural variations over which we have no control, all products are sold subject to normal variations or irregularities of color, surface grain or texture. In as much as fabric mills and tanneries do not guarantee their products, Dauphin shall not be held responsible for wear, fading or performance of any covering material beyond the stated warranty, and under no condition assumes responsibility for COM and COL. Minimum wrinkles in leather and some other fabrics cannot be completely avoided and are not considered defects in materials or workmanship. Some fabric and leather can appear loose with comfort wrinkles when upholstered and over time. Leather may require additional upholstery sewing seams.

Customer's Own Material (COM/COL)

1. COM Yardage requirement is based on 54" wide covering material. If the pattern requires matching, please contact Customer Service with repeat dimensions for a calculation of additional yardage required and/or additional charge for matching.
2. A completed copy of the COM/COL form must be submitted together with a fabric/leather swatch for each item ordered which requires non-Dauphin covering materials.
3. Dauphin reserves the right to reject COM if it is considered unsuitable for upholstery.
4. Lead times are effective from the date we receive COM.
5. COM must be shipped freight prepaid to Dauphin, 100 Fulton St., Boonton, NJ 07005 and packages should be clearly marked with the following information:
