**Function**

Synchronized seat and back with tension adjustment, seat depth adjustment and multi-position back lock enables the users to adjust the chair to suit their body size and working needs.

**Mesh Back**

Black soft-knit mesh with integrated lumbar support allows for the ventilation and dissipation of body heat to ensure a comfortable and correct position while seated. Available in six colors.

**Arms**

Height and width adjustable with durable polyurethane pads makes it easy to position the arms to best suit the individual user.

**Upholstered Back**

Fully upholstered soft-cushioned back with adjustable lumbar support provides optimized comfort and ensures a correct posture while seated. Available in six colors.
