# HOW TO USE THIS GUIDE

Here are some tips to help you use this guide for pricing estimates on Dauphin's collaborative lounge products.

1 ) Look for the product family you're interested in. Each family has different configurations. For instance, some are available as a single-seat work lounge while others are available as benches and sofas but not a work lounge.

2 ) Once you find the product configuration you're interested in, look at the dimensions. The width dimension will give you an idea of how many "seats" that configuration has, and height tells you whether the product is backless, with a back, or with a wall.

3 ) To the right of the dimensions, these columns note the base price for fabric in the associated grade. We have included columns for fabric grades A-J.

4 ) Move down the page to see what options are available. As you add features to your product, see notes for clarity. For instance, pricing for stitching is per surface, so the inside and outside of a wall would be two surfaces. The prices indicated are the dollar amounts you add to the initial base price to understand the estimate on what a final cost of the collaborative lounge product

5 ) Keep in mind that our Customer Service and Design Services teams are available to answer questions and help you with your project. Please reach out any time!

Customer Service can be reached at (800) 631-1186 or [info@dauphin.com](mailto:info@dauphin.com).

Materials

Due to natural variations over which we have no control, all products are sold subject to normal variations or irregularities of color, surface grain or texture. In as much as fabric mills and tanneries do not guarantee their products, Dauphin shall not be held responsible for wear, fading or performance of any covering material beyond the stated warranty, and under no condition assumes responsibility for COM and COL. Minimum wrinkles in leather and some other fabrics cannot be completely avoided and are not considered defects in materials or workmanship. Some fabric and leather can appear loose with comfort wrinkles when upholstered and over time. Leather may require additional upholstery sewing seams.

Customer’s Own Material (COM/COL)

1. COM Yardage requirement is based on 54” wide covering material. If the pattern requires matching, please contact Customer Service with repeat dimensions for a calculation of additional yardage required and/or additional charge for matching.
2. A completed copy of the COM/COL form must be submitted together with a fabric/leather swatch for each item ordered which requires non-Dauphin covering materials.
3. Dauphin reserves the right to reject COM if it is considered unsuitable for upholstery.
4. Lead times are effective from the date we receive COM.
5. COM must be shipped freight prepaid to Dauphin, 100 Fulton St., Boonton, NJ 07005 and packages should be clearly marked with the following information:
  - Dealer’s firm name and purchase order number.
  - Dauphin model number and quantity.

**NOTE: Effective January 6, 2025, add 5% to the list price of all Dauphin products.**
